

Declaration of Accessibility

Management Board of SILGIS Association hereby undertakes to ensure the availability of its website in accordance with the provisions of the Act of April 4, 2019 on digital accessibility of websites and mobile applications of public entities. The accessibility statement applies to the website of the SILGIS Association.
Website publication date: 2007/08/01.

Date of last significant update: 2023/09/15.

Status in terms of compliance with the Act

The website is partially compliant with the Act of April 4, 2019 on the digital accessibility of the websites and mobile applications of public sector bodies due to incompatibilities or exclusions listed below.

Unavailable content

- There is no option to enhance the contrast but the colours used meet the contrast requirements.
- The page does not have a button to increase the font type and size, but the font grows larger when increasing the size of the entire page.
- There are no warnings before opening a of new window or tab after pressing links leading outside the page.

Preparation of the accessibility declaration

The declaration was drawn up on: 2021/04/01.

Declaration was last revised and updated on: 2024/04/05.

The declaration was drawn up on the basis of the self-assessment procedure.

Feedback and contact details

Response to comments and requests: member of the Management Board of SILGIS Association – Justyna Przybylska, E-mail: silgis@us.edu.pl

E-mail: silgis@us.edu.pl

Everyone has the right to:

- submit comments regarding the website or its components,
- submit a request to ensure availability of the website or its components,
- request that unavailable information be made available in another alternative form.

The request must contain:

- contact details of the person submitting the request,
- an indication of the page or element of the page to which the request applies,
- an indication of a convenient form of disclosing information, if the request concerns the disclosure of unavailable information in an alternative form.

The request should be considered immediately, no later than within 7 days. If ensuring availability or ensuring an alternative form of access is not possible within this period, it should take place within 2 months from the date the request was submitted.

Complaints and appeals

If these deadlines are not met and the request is rejected, a complaint may be submitted to the supervisory body by e-mail to the following address:
